

## SHOWER DIVERTER IN-WALL ROUGHS

NEW  
PRODUCT

List Price: \$318

3-way version shown above

## Product Information

These new multifunction shower diverters control the flow and direction of water from a respective mixing valve to multiple shower outlets. This feature provides homeowners a variety of options and customization to build the shower of their dreams.

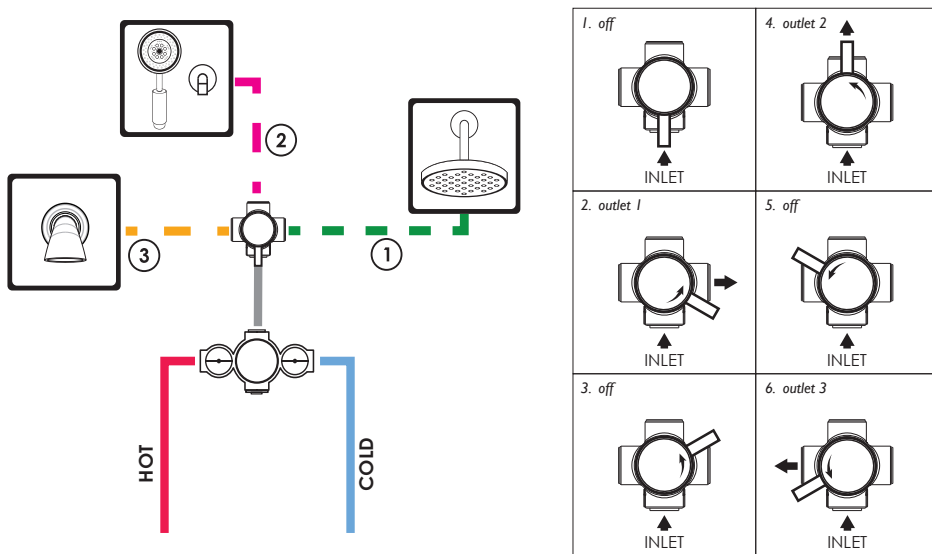

Shower trim sold separately.

- Robust 33mm cartridge with ceramic disk technology
- Solid forged brass construction for long-lasting durability
- Highly precise turning mechanism to set the position for each diverter function
- Universal 1/2" NPT connections
- IAPMO/cUPC and CEC listed
