

NEWPORT BRASS

Flawless Beauty. From Faucet to Finish.™

Priya Keaton

AVAILABLE IN 26 FINISHES

Newport Brass is proud to introduce the new Keaton and Priya Collections of faucet and bathroom accessories. These new products build upon a shift towards a more contemporary design aesthetic for Newport Brass.

A minimalist aesthetic finds expression in both the Keaton and Priya Collections. These bathroom fixtures obtain their contemporary styling at the intersection of cylindrical and squared solid brass componentry, incredibly clean lines and simple yet elegant decorative features. Set screws are not visible in the fixtures and accessories perfectly complement the contemporary design style making the end result all the more sleek and clean.
