Now, more than ever, the kitchen is a focal point of the home and has become a central gathering place for family and friends. Holidays, parties, and family gatherings tend to gravitate to the kitchen, where food, drink, and good conversation are in abundance. As such, aesthetics and styling are important factors to consider when making your purchase decision. Your kitchen faucet should do more than just function properly; it should also reflect your unique design style. That is why Newport Brass offers the ability to customize the appearance of kitchen faucets and accessories by choosing from the largest selection of finishes available in the industry. The options are limitless. Demonstrate your individuality by creating your own design aesthetic by choosing a traditional finish on a contemporary design.

Outfitting your kitchen doesn’t end with the kitchen faucet, in fact, it’s just the beginning. That is why Newport Brass provides the ability to mix and match coordinating accessories including bar/prep faucets, water dispensers, pot fillers, soap dispensers, and air gaps, each delivering its own set of unique features and benefits. Finally, complete the project with matching garbage disposal accessories and kitchen strainers. With Newport Brass every detail is covered. Unparalleled finish alternatives, long-lasting quality, timeless designs, and the best selection in the industry are cornerstones of our product offering. With Newport Brass the CHOICE is yours. Flawless Beauty. From Faucet to Finish.
