The Joffrey bath collection is a new expression for the discerning transitional customer. Combining a graceful and slender design profile with a flared base, the collection is an arresting, modern exemplified harmony of smooth lines and a prominent form.
As cylinders meet at mitered angles the Keaton Collection sets forth its bold, modern design. There is a perfection to Keaton that is visually pleasing as it takes what is historically curved and re-imagines it as angled. Each element stays true to the design’s minimalist aesthetic.
Metro exemplifies modern design with its clean, precise lines and superb combination of geometric forms. This collection makes a strong statement in its simplicity and requires no extraneous decorative additions.
Water seems to leap from the perfectly arched “C” shaped spout that is the center of Priya’s modern design. The uncomplicated yet sleek design creates a striking visual.
The Secant collection delivers the ultimate design aesthetic. Bold, yet refined, Secant's gentle curves and sharp corners complement each other perfectly.
The Skylar contemporary collection offers endless possibilities with a vibrant combination of angular, geometric shapes that make an impactful design statement that is ideal for modern interiors.
The Bronwen widespread lavatory faucet features a simple yet sophisticated contemporary aesthetic that brings comfort and clarity to the bathroom. Strong edges complement the spout’s smooth contours, making up this modern design.
