

FREESTANDING FUNCTION

Free standing tub and hand shower sets transform the bath into an architectural focal point, pairing timeless design with elevated everyday function. Thoughtfully crafted, each piece balances sculptural presence, installation flexibility, and the versatility of an integrated hand shower. The result is a distinctive bath centerpiece that pairs visual impact with thoughtful functionality.

INSPIRATION

Inspired by the elegance of freestanding bath design, the freestanding tub and hand shower sets celebrate architecture as much as utility. Available across a range of Newport Brass' signature collections, each design reflects a distinct aesthetic while maintaining a cohesive expression of timeless luxury and thoughtful proportion.

CRAFTSMANSHIP

Crafted from solid brass, every set is engineered for lasting performance and exceptional quality. Offered in all 22 Newport Brass finishes, each piece provides the flexibility to create a cohesive, highly personalized bath environment.

Complete suite of coordinating tub fillers and hand shower sets for a refined, cohesive bath.
