WIDESPREAD LAVATORY FAUCET
WITH SHORT SPOUT

- 3420 LEVER HANDLE
- 3430 CROSS HANDLE

Designed with a deliberate sense of proportion and restraint, the widespread lavatory faucet with short spout offers a lower, more tailored profile that feels both grounded and refined.

Its industrial silhouette maintains a clean, considered presence within a space, bringing balance to both minimalist and traditional environments.

WIDESPREAD LAVATORY FAUCET
WITH C-SPOUT

- 3420C LEVER HANDLE
- 3430C CROSSHANDLE

Rooted in solid brass craftsmanship, the widespread lavatory faucet with c-spout is designed with a deliberate sense of mass and structure—embracing a substantial, weightier presence while maintaining

a clean, contemporary elegance. Available with level or cross handles, its thoughtfully proportioned details reflect the architectural character that defines the Kimbell Collection.

1/2" THERMOSTATIC
TRIM PLATE

- 3-3423TR LEVER HANDLE
- 3-3433TR CROSS HANDLE

Precision engineering meets refined design in the thermostatic trim plate, creating a bath experience that feels intuitive and uninterrupted. Architecturally proportioned and beautifully detailed, it brings the same elevated sensibility of the Kimbell Collection to the shower.
